

Mauser MO3

The new MO3 hunting bolt action rifle combines proven Mauser quality with functional innovation and is, quite simply, in a league of its own. The long-standing Mauser tradition synonymous with sturdy, authentic products lives on.

- Mauser safety system for manual cocking locking directly inside the barrel
- Short bolt lift of 60°
- Detachable magazine with lockable button
- Steel sight
- Adjustable swivel
- Classical stock design with an oil-rubbed finish
- Interchangeable barrels
