

SAUER

Sauer 202 Elegance

Exceptional Attitude

In the details lies the unpretentious beauty of an excellent rifle.
It is a pure pleasure to use the highly refined S 202 Elegance – every time.

Every component of the SAUER 202 is produced to perfection, dimensionally stable and of exceptional quality. Being able to custom select each component, from the stock, trigger and action to the barrel and sights, enables hunters to obtain the exact structural combination that suits their needs. The result is a fully customized, precision-manufactured hunting rifle.

Characteristics:

- Monte Carlo stock made of grained walnut with Bavarian cheek piece
- Blued and polished steel surface
- Luxury wood tip on the fore-end and pistol grip
- Jewelled bolt
- Classically shaped bolt handle
- Detachable magazine with polished steel base
